## Secondary and Intermediate Education

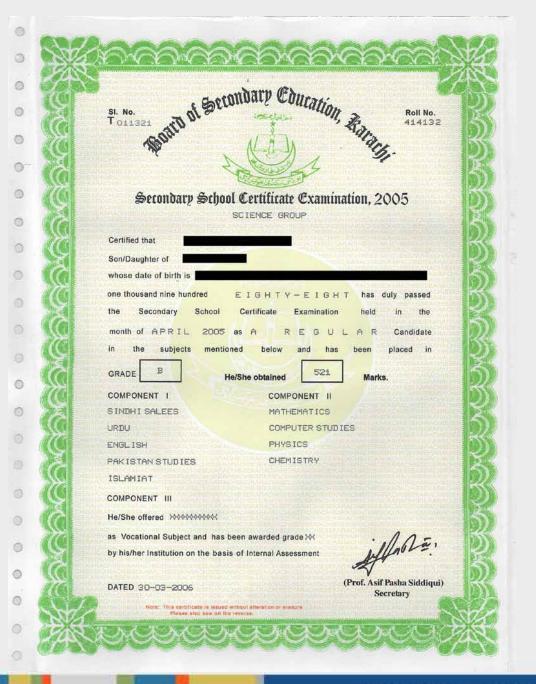

### General grading scales

- **Division I 60-100**
- Division II 45-59
- Division III 33-44
- Less than 33%

Students frequently change streams from the S.S.C. to the Intermediate, and from Intermediate to the Bachelor's degree. Students may change from Science stream to Arts stream, but not from Arts to Science

A student who passes the first year or the final year of the Intermediate Examination in the third division can apply for "division improvement." If accepted, the student must pass the final year examination at the second division or first division level within two years. Successful students receive an Intermediate Examination Statement of Marks that contains the entry "marks improved". A Statement of Marks issued for the earlier attempt is also available.

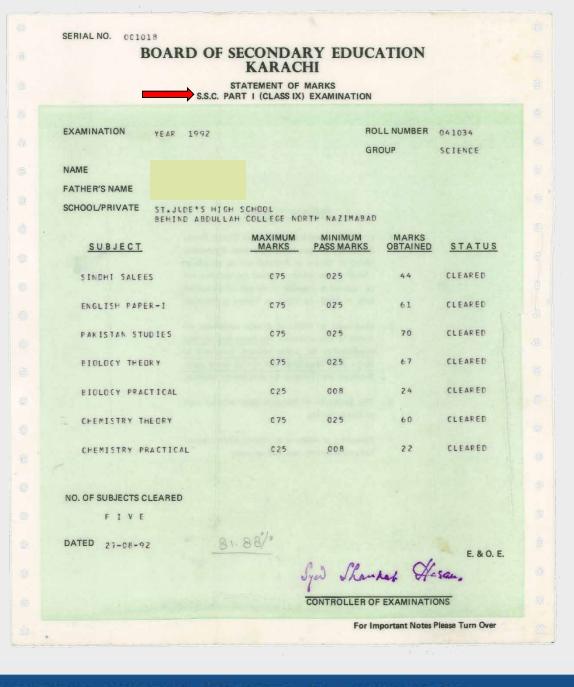

Note: The student can be enrolled in a bachelor's degree program during the time that the Intermediate Examination is being repeated.

#### IMPORTANT NOTES 1 - To qualify for the award of S.S.C. a candidate has to pase in ALL the subjects of Component t & II and the GRADE shall be determined on the basis of marks abtained out of the total marks of 850. 2 - In order to pass in a subject which has both Theory and Practical, SCIENCE GROUP candidates shall have to obtain 33% in Theory and Practical separately, both being separate passing heads. A candidate failing in any of the two will be considered "failed" in the subject. Such candidates who are declared failed in the examination will be required to reappear in that part of the subject only in which he/she failed i.e. Theory or Practical. 3 — For subjects which have Theory and Practical in the GENERAL GROUP, a candidate will be required to pass in the total as Theory and Practical are not separate passing heads but appearance in both the papers I.e. Theory & Practical is compulsory. 4 — Minimum pass marks in individual subjects shall be 33% whereas in subjects comprising two papers the candidate shall have to obtain 33% of the total marks of the two papers taken 5 — The result will be compiled in Grades on the basis of total marks obtained, according to the MARKS 80% and above 595 to 679 70% and above but below 80% 60% and above but below 70% 510 to 594 50% and above but below 60% 425 to 509 340 to 424 40% and above but below 50% Minimum pass marks and above but below 40% 6 - This Statement of Marks is issued without over-writing or cutting. 7 — Tampering of marks is an affence which disqualifies a candidate for two to the said B - No advantage shall accrue to any candidate out of an irregular or invalid Statement Marks of Private Candidates are mailed to their addresses. The Board does a responsibility for postal mishaps. Statement of Marks once despatched will not be ded sation. Dun is ale may, however, he obtained an payment.

#### grading scales

- The 'traditional' system, still used by a number of universities (including the University of Karachi), combines percentage marks and classifications into divisions and classes:
  - □ 75% and above = Distinction\*
  - = 60%-74% = Division I\*\*
  - = 45%-59% = Division II\*\*
  - 33%\*\*\*-44% = Division III\*\*
  - □ Below 33% = Fail
    - \*A few institutions use 'with Honours' rather than 'with Distinction'
    - \*\*Some institutions refer to 'Class' particularly for Honours degrees
    - \*\*\*33 percent may be a subject passing grade. Graduation or progression to the next year of the course may require a higher average grade, such as 35, 36, or 40 per cent.
- + Increasingly, institutions are moving to a Grade Point Average (GPA). The most commonly-used system is based on a combination of Points, Letter Grades, usually including a percentage mark, and sometimes a descriptive grade (such as 'excellent' or 'good').

http://aei.dest.gov.au/AEI/CEP/Default.htm

## Institutional Recognition

- In early September of 2002, the government established the *Higher Education Commission* (HEC) replacing the *University Grants Commission*. The new commission evaluates, improves, and promotes the country's system of higher education by formulating policies and priorities for colleges and universities. In addition, the commission will evaluate institutions' performance levels.
- The HEC also sets the criteria for accrediting new institutions, including those that are not part of the state educational system. It sets up national or regional evaluation councils or authorize any existing council to carry out accreditations, including their departments, faculties, and disciplines, by giving them appropriate ratings.
- The commission also advises the federal and provincial governments on proposals for granting a charter to award degrees in both the public and private sector.

Dear Zachary Holochwost,

Reference to your fax reference no. 248318/VER dated 21 November 2007. This is to certify that (GIK Reg. No. 940019), was registered student of Faculty of Computer Science and Engineering from August 1994 to August 1999. Unfortunetely he did not complete the degree requirements and has not been awarded the degree. His transcript issued by Controller of Examinations office on 25 October 2007 is corrected. However, the Grade Sheet issued to him from the office of the Dean, Faculty of Computer Sciences and Engineering carries a few discrepencies with official record maintained at CoE office. The discrepancies observed are as under:

Verification of Suspected Fraudulent Documents

Thank you for contacting us regarding this matter. According to our record both the Detailed Marks Certificate and the Degree are fake and forged documents. I appreciate your effort to prevent such people bearing counterfeit UHS documents, to apply for further studies / jobs in United States. Please do not hesitate to contact us in future to stop this socially and ethically illegal act and I assure you my co-operation and assistance in any way possible in this regard.

With best wishes.

Yours Sincerely
