

Diploma Mills: how to handle a confirmed diploma mill credential?

The degree follows a landscape format typically used by US institutions. However, the name of the institution implies a location in the United Kingdom where degree diplomas are almost always issued in a portrait format.

Institution cited in Chapter 27: Degree Mills in Bears' Guide to Earning Degrees by Distance Learning: Fifteenth Edition, written by John B. Bear and Mariah Bear, and published by Ten Speed Press in Berkeley in 2003.
