The first circle shows the character for the number 3, so this is a three-year Zhuanke. The second circle shows the characters for “Zhuanke”.

China – “5” Year Zhuanke Certificate

The first circle shows the character for the number 5, while the second character shows the character for the number 2. This means that the student completed the three-year upper middle school program and two years of tertiary-level study for the Zhuanke.

		CONTROLLER OF EXAMINATIONS (UG)												

This is an example of a transcript from an autonomous college. The name of the college appears at the top, and underneath is the name of the university to which it is affiliated. This is a consolidated marksheet, meaning that all passing marks are listed on the document. Some institutions issue only consolidated marksheets. However, most institutions will issue individual semester marksheets, which show all passing and failing attempts. If you need to see how many attempts it took a student to pass each examination, then you should require the individual semester marksheets **OR** confirmation directly from the school that it only issues consolidated marksheets.

SYSTEM OF EVALUATION

The system of evaluation which is followed is detailed below.

- The course for the degrees of B.E. and B. Tech. comprises 8 Semesters spread over 4 years.
- The maximum marks awarded for each subject is 100*, distributed as follows :

	1991-'92 onwards	Prior to 1991-'92
a) Continuous Assessment (CA) :	30 Marks	50 Marks
b) Semester Examination (SE) :	70 Marks	50 Marks
	100 Marks	100 Marks

* - In the VIII semester, Project Work carries 200 marks, with 100 marks for CA and 100 marks for the SE. The Comprehensive Viva Voce carries 100 marks for SE only ; there is no CA marks.

- A candidate shall be declared to have passed in a subject under the following conditions.
 - In respect of a student admitted in the year 1991-'92 and onwards he/she should have secured
 - a minimum of 28 marks out of 70 in SE, and
 - a minimum of 50 marks out of 100 (SE & CA put together) in that subject.
 The same conditions (a) & (b) are applied to the supplementary candidates also.
 - In respect of a student admitted prior to the year 1991-'92, he/she should have secured
 - a minimum of 20 marks out of 50 in SE, and
 - a minimum of 50 marks out of 100 (SE & CA put together) in that subject.

In this case, for supplementary examinations the student should have secured as per the above conditions (a & b) or 50% percent marks in SE only.
- A candidate who passes the examinations of semesters III to VIII in the first appearance, and in addition secures an aggregate percentage of not less than 75% in these semesters, is declared to have passed in **FIRST CLASS WITH DISTINCTION**.
 A candidate who passes the examinations of semesters III to VIII within a period of six consecutive semesters, and in addition secures an aggregate percentage of 60% or more but less than 75%, is declared to have passed in **FIRST CLASS**.
 All the other candidates, who qualify for the degree by passing all the subjects of the entire course (vide Rule 3 above), shall be declared to have passed in **SECOND CLASS**.
- The Regional Engineering College, Tiruchirappalli does not follow the Grade Point Average system (GPA).

This is the back page of this school's marksheet, and it shows the maximum marks for each subject. Since this is a marks-based credential, you need that information if you want to determine equivalent US semester credit hours and the equivalent US grade/GPA.
